**Re:** Payment Schedule for 2010 National Scout Jamboree

Thank you registering for the 2010 National Jamboree. Response has been excellent, and we are very fortunate to have a full roster of boys to send our full Council allocation of four troops to Jamboree! We are just 15 months away from what's sure to be an event of a lifetime. Our pre-Jamboree tour of the eastern seaboard has been finalized with the tour company, and the budget has been approved by our Council leadership. The final cost per youth and adult participant will be \$3,800 (plus uniforming) with potential offsets from fundraising opportunities. The Council has already forwarded each participant's deposit to National, and we will now begin collecting monthly payments to meet our budgeted expenses. These payments will cover incremental payments to National and to WorldStrides, our tour company, as well as purchase of troop/patrol equipment and program items.

At this time we are asking you to begin making monthly payments per the schedule, below. You may make a larger payment at any time if you choose. Because the Council will incur fees for late payments, we ask that you please not fall behind.
